Jail Ministry Needs YOU to Write Letters

Currently, St. James' has a small team ministering to some of the residents of the Cayuga County Jail. Many of these individuals have few visitors, family or positive human interaction. We are looking for people willing to reach out to those in the Cayuga County Jail and write notes of encouragement. These caring notes would bring hope. This will be an ongoing ministry, please take a moment out of your week to write a caring note and place it in the wooden box located on the table in the back of the church. If you have any questions, please contact Nancy Graham (nancy@stjameskan.org).
