St. James' Weekly Newsletter  
for  
October 18, 2020

Thank you Dave Plogman

In the five years that Dave Plogman served as chair of Buildings and Grounds...  
and the additional year he has served as a member of the committee,  
Dave has:

...arrived countless days during his lunch hour...

...to change out batteries in smoke detectors...

...tinker with the lawn mower...

...save staff from bats...

...or look at a plumbing or electrical problem.

He has spent many hours on the lawn mower in the summertime...

...and been both ingenious and frugal...in caring for this aging building.

Dave has organized volunteer workdays, scheduled yard maintenance crews, developed and managed a budget, found/scheduled and supervised subcontractors...and determined annual maintenance goals.

Thanks to Dave we have a new roof and repaired front porch on the rectory...a shed that houses lawn equipment.... trees that have been trimmed or taken down without causing harm or injury to people and property, and on and on and on....

All the while he has served with commitment and humor and a gentle spirit. Dave has formally decided to step down from the Buildings and Grounds committee and we want to express our gratitude.

Thank you Dave. All of St. James' is indebted to you for dedication and generosity.
