WANT TO GET INVOLVED?

Welcome to St. James' Episcopal Church Skaneateles! The Bible recommends to all that "God has given each of you a gift from his great variety of spiritual gifts. Use them well to serve one another." 1Peter 4:10. Getting involved at St. James' is easy and the best way to connect to a loving, faith-filled community. This guide includes a diverse assortment of vital volunteer and paid opportunities organized by areas of interest. There is something for everyone!

Each opportunity has a brief description, estimated time commitment and a contact person who can answer questions. As St. James' has navigated the pandemic, many of these ministries have become hybrid which means participation could be in-person as well as virtual. All are encouraged to explore any area you find interesting! Feel free to contact Laura Posecznick at laura@stjameskan.org or 315-685-7600 with any questions or just to chat about finding something that fits your time, talent and purpose!

St. James' Meals on Wheels			

St. James' offers five unique worship services. There are three on Sunday and two on Wednesdays. It takes a dedicated team of staff, clergy and volunteers to make these services happen each week. St. James' Church understands that worship is an action. Liturgy, prayer and worship become more meaningful by your participation. There are numerous ways to be a part of worship services both in-person, virtual or "behind the scenes". Training is available for any position and grace abounds for all since the only one who is perfect is God!

Acolytes

The word "acolyte" means attendant or follower. Acolytes at St. James' perform the significant ministry of preparing the church for worship, participating in the flow of the liturgy, and assisting the clergy at the altar. Serving as an acolyte provides a unique opportunity for youth and adults to learn more about the "who, what, why, when and how" of the time-honored Episcopal liturgy.

Time required: 1 to 2 hours, once a month, at the 7:30 a.m., 9:00 a.m., 10:45 a.m. Sunday worship or other special occasion worship.

Training is provided for any interested youth (12 or older) or adult.

Ushers

Truly there is nothing more important than greeting everyone who enter the red doors for worship with the warmth and love of God. St. James' ALWAYS needs ushers. Primarily they are required for Sunday worship services (7:30 a.m., 9 a.m., 10:45 a.m.). There are also special services such as weddings, funerals, and holidays. This vital ministry includes greeting, distributing bulletins, counting people for attendance, guiding communion flow, and the overall center of info for parishioners with questions. Training is available at any time.

Time required: 1-1.5 hours one Sunday a month

Altar Guild

St. James' Altar Guild is a dedicated group of women and men who prepare the church for Sunday worship, as well as special services such as weddings and funerals. The Altar Guild is an essential ministry necessary to make sure each service is ready from filling candles to setting the communion table. Currently there are 4 teams each with a leader. Each team is responsible for one weekend of services a month. This includes setting up prior to Sunday, cleaning and resetting after each service and then clean up at the end of the last Sunday service. As with any ministry, the more hands the more flexible scheduling can be. There is a huge need for substitutes and additional hands for holidays such as Christmas and Holy Week. There are many seasoned members who are more than willing to show you the ropes. Serving on Altar Guild gives you the opportunity to learn more about Episcopal liturgy and, perhaps more important, get to know others better.

Time Required: 45 minutes for set up prior to Sunday and then one Sunday morning a month. Special services require additional times but are planned well in advance. Schedules are flexible.

All you need is a love of worship services!

Eucharistic Ministers/Visitors & Lectors/Readers

Now that full communion has been restored, Eucharistic Ministers (chalice bearers) are needed in all services. The new method actually utilizes two Eucharistic Ministers are required for each paten (bread). One holds the common cup and one holds the cup for intinction (dipping). Ideally, each Sunday service needs 4 Eucharistic Ministers. Training is provided by clergy and certifies one for 3 years. Because this position interacts with so many people, safe church training is also required every 5 years. Including lay people in worship is a key part of our faith creating a richer more meaningful service. One easy way to participate is to become a Lector (reader). Each worship service has the opportunity to read scripture, psalms and prayers. All readings are sent ahead of the Sunday and schedules are made out for each month to help with any planning. You can even choose a service time you prefer.

Time Required: Once or twice a month for either Eucharistic Minister or Reader.

Training is available -all you need to be is willing, attentive and dependable.

Music at St. James'

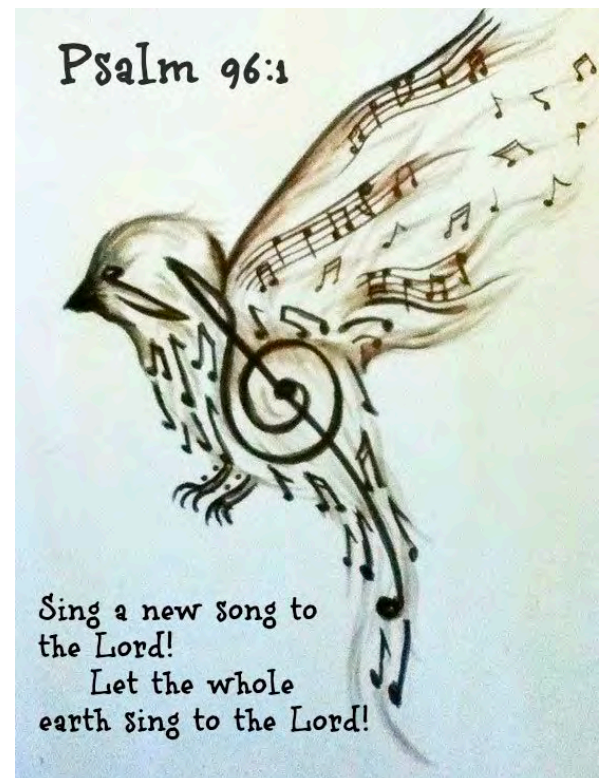

St. James' Church is blessed to have the most glorious music ministry. From traditional organ hymns to inspirational praise music, St. James' offers sounds that come straight from the Holy Spirit. Volunteers led by the talented Organist/Choirmaster & Director of Contemporary Music & Technology showcase the talent that abounds within our community. There is always room for more. If you would like to play and instrument or lend your voice to either the choir of the band, please contact the parish office or a musical staff leader.

Traditional Organ & Choir

The purpose and mission of the St. James' Chancel Choir is to provide quality spirit-filled music for the praise and worship of God. The choir lends itself to many special services but its main focus is Sunday morning 9:00 a.m. Rite II worship. The choir is made up of all volunteers and led by Justin Oei, Organist/Choirmaster. Rehearsals are at 6:30 - 8:00 p.m. on Wednesday evenings. An audition and the ability to read music are NOT necessary - you just have to enjoy the process of singing, working together and worshipping with others. Join us for the church year, some of the year or perhaps just for Advent or Easter.

Time Required: 6:30 p.m.-8:00 p.m. Wednesday Rehearsal & Sundays 8:15 a.m. warm up for 9:00 a.m. worship.

Audio Visual Worship Technology

Over the past five years, St. James' has invested in its technology. This investment allows worship, programming, music, prayer, and fellowship to literally reach people wherever they are. Each week three worship services are live-streamed online. As you can imagine, managing sound for both the choir and worship band in addition to recording three worship services is challenging. St. James' is building a trained team to spread the workload. Although some experience with audio engineering or videography is welcome, it is not necessary to be a part of the team. Training is provided. *Time Required:* 30 minute set up prior to any service. Services run 1-1.5 hours And 30 minutes after for clean up. Flexible schedule available.

The band is always looking for individuals who can play instruments. Please know there is flexibility with schedules and often special services offering unique opportunities to perform. Join in when you can.

Time Required: Sundays; 10 a.m. -12:40 p.m.

Cayuga County Jail Ministry

Ellen Kulik and Cindy Bright are members of an Ecumenical Jail Ministry at the Cayuga County Jail, located on County House Road in Auburn. Teams of 2 visit the men and women at the jail to offer prayer, song, support, devotionals, and study of the Bible. Our goal in visiting the incarcerated men and women is to offer the presence of Christ to them. Besides their GED program, our group meetings are the only programming available at the jail. The goal is to help them turn towards the Lord and move towards recovery.

Opportunities:

- We need more volunteers willing to visit the men at the jail. Currently we have only one female volunteer visiting the men.
- We are looking for people willing to serve as a penpal with men and women incarcerated at the jail who are lonely and have very few visitors. You will only share your first name with the inmates. Guidelines will be provided.

Time Commitment Required: 30-60 minutes every 1-2 weeks.

Talents or Interests Helpful: For Pen Pals: Letter writing (hand written or typed), empathy, desire to reach out to those in need. For visitors: Ability to suspend judgment; and willingness to pray out loud with others and lead discussion about the Bible, faith, and struggles.

At Christmas time, St. James' offers an opportunity to buy gifts for children with incarcerated parents. This is the Angel Tree program that brings joy to so many children locally in Auburn.

Auburn Rescue Mission

A year-long discernment process in 2015 led St. James' to identify three areas of vulnerability in which St. James' is called by God to serve: affordable housing, mental health and supporting youth locally. Putting these into action, St. James' is partnering with the Auburn Rescue Mission..

St. James' volunteers have continued to be a big part of the success of the Merriman Circle location of the Auburn Rescue Mission. Volunteers support a variety of activities by assisting the staff during activities, and planning crafts. The activities include the End of the School Year Party, Harvest Party, and a Christmas Party. Mo Allyn and John Helgren teach a music program on 3 Thursdays of each month, excluding the third Thursday.

For 2024, on the third Thursday of each month, St. James will be offering simple cooking activities to the children of Merriman Circle. Nancy Lee is coordinating this activity. We will need volunteers to help assist. Children will be asked to sign up for the cooking activity ahead of time. Tools and ingredients will be supplied. Please join us and volunteer to assist, no cooking experience needed, just a love for kids.

St. James' Thrift Shop

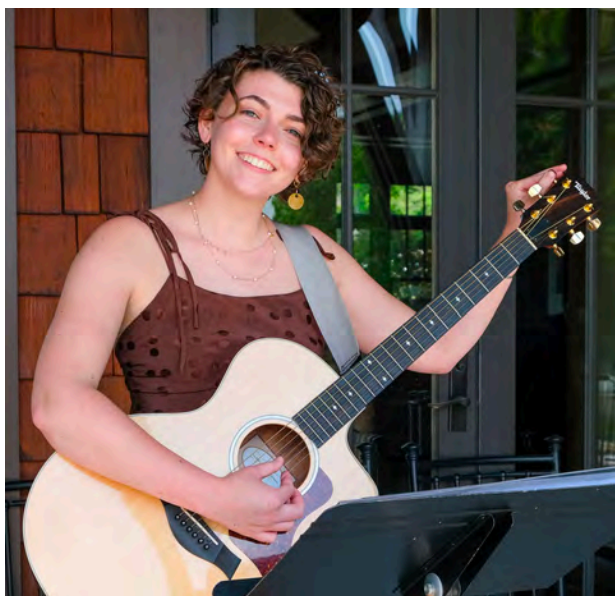

This amazing little shop has been serving the community for over 50 years. It is completely run by volunteers. Donations come from the community, volunteers take in the merchandise, price it, organize it and sell it! The Thrift Shop also provides clothing for those in need at no cost. All funds raised at the shop are put back into the business or given to St. James' ministries to help fund the work of God.

Donations are accepted on Monday and Tuesday between the house of 10 a.m. - 1 p.m. Shop retail hours are on Wednesdays-Saturdays 10 a.m. - 4 p.m. The St. James' Thrift Shop is open on Sundays only through the Dickens Christmas Season. There is a shortage of volunteers due to covid who are willing to work during the retail times. Each shift is only 3 hours and if you could give of your time, cashiers or assistants to the cashiers are truly needed especially during holiday times. The St. James' Thrift Shop takes both cash and credit cards now! It is all very basic and easy! Training is available and responsible youth are more than welcome to work with an adult. If you love to work with the community and be a part of the bustling downtown Skaneateles life, this is the volunteer opportunity for you.

Time Commitment: 3 hours a month

Saints in Training Sunday School-Sundays 9am

Ages 7-12 years

September-May

This ever expanding children's ministry has developed into a fun, inviting, energetic and interactive way to learn about faith. This year's curriculum will take our Saints through the life of Jesus. Digging Into the Life of Jesus leads kids in walking in Jesus' footsteps from his birth to his resurrection and ascension. Kids don't just learn about the historical Jesus; they get to know him personally. They'll discover that Jesus is a real person—a real friend—who makes a difference in their lives today.

This year Saints in Training is incorporating children's yoga, music & movement, and more! There are opportunities for classroom helpers throughout the year. Sign ups will be available. Also, as Christmas approaches, there will be rehearsals and filming times for the creation of this year's Christmas pageant. For more information about Saints in Training, **email Mo Allyn at mo@stjameskan.org or call the Parish Office 315-685-7600.**

New Mini-Saints Curriculum Featuring Cindi Fowler

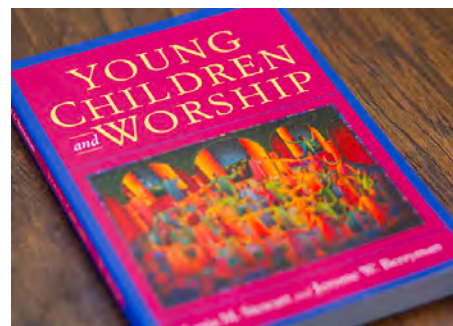

With the growth of children over the past few years, St. James' wants to meet the needs of community families. A children's commission has worked for months and decided that one main piece is that the class size is too big to make an impact on all ages. Cindi Fowler, St. James' parishioner felt the holy spirit move her back in to share her gift of teaching young children the joy of a life of faith. This Montessori style program has been used all over the country and provides a wonderful faith foundation. The class will be in the newly refurbished "former nursery room" on the lower level. There are opportunities to assist in this class and hopefully inspire others to be trained in this special curriculum.

If you would like to register your child, or I earn more about the program,

please contact Cindi Fowler cynthiafowler29@gmail.com or Mo Allyn mo@stjameskan.org

More About Young Children & Worship

Sonja Stewart and Jerome Berryman wrote *Young Children and Worship* as an exciting method for introducing three- to six-year-olds to the wonder of worship. Their approach, which integrates religious education and worship, has been presented at numerous workshops and training sessions. Based on the authors' experiences, the methods described here will be invaluable to teachers helping children understand and appreciate worship. *Young Children and Worship* is a program curriculum that presents a joyful way for children to worship God. *Young Children and Worship* move children through the entire Bible, from "The Creation" to "Pentecost" with several parables included. It

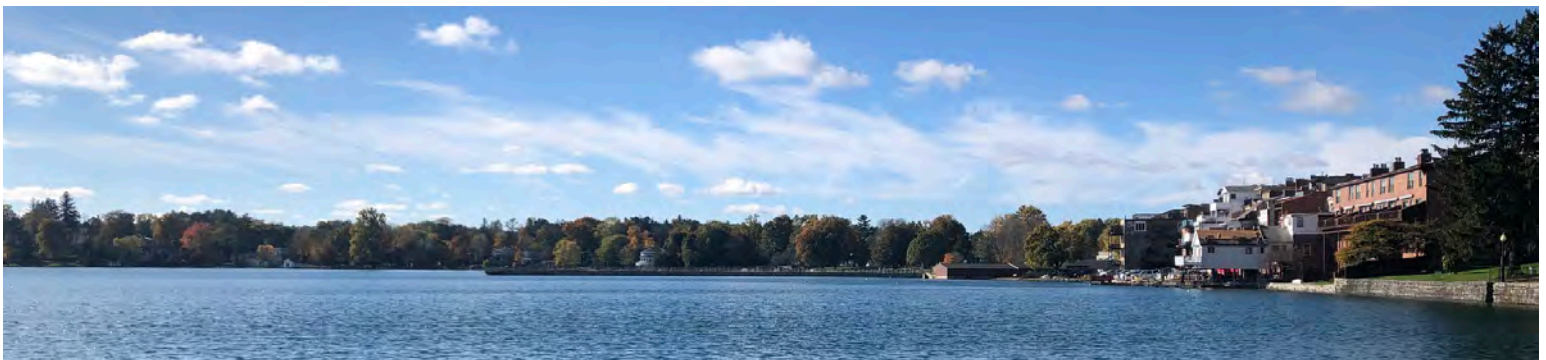

invites children and adults to experience the wonder and mystery of God through a unique storytelling format and multi-sensory materials. Colorful felt underlays set the scene for wood figures to play out the stories and allow children to expand their imagination. Textures of the various materials used and the wondering questions, allow even more senses to be stretched and developed. The figures, buildings, mountains and other tangible materials stimulate the visual and imaginative senses of all ages.

Weddings & Funerals

Now that St. James' has an Interim Rector, weddings and funerals can again be held at St. James'. This church continues to be the choice of many couples looking to be married. Weddings large and small happen throughout the year. Due to the large number and diverse logistics required, it is helpful for clergy to have assistance to make each wedding both special and organized. Each wedding at St. James' requires a wedding assistant to help interface with the photographers, videographers and families. The assistant is at both the rehearsal and wedding from set up to close up. Also, greeters/ushers are needed to help inform guests of safety protocols, hand out bulletins, answer questions and be the "face" of St. James'. Greeters only need to attend for the beginning of the rehearsal & wedding service. Weddings are throughout the year and volunteers can choose the ones that work for their schedule. If you have an interest in serving as a Wedding Assistant or Greeter, please **contact Parish Office at 315.685.7600.**

Funerals are a part of life and at St. James' they are treated with respect, dignity and care. As with weddings, each funeral is unique. Worship participants such as ushers, readers, acolytes, and eucharistic ministers are often needed. Some families choose a reception in the Parish Hall. Receptions require food preparations and onsite set up and clean up. If you are able to assist with any funeral reception, please **contact Connie Tuttle 315.263.0786**
